BEE CAVE TEXAS

THREE-DAY ROMANTIC WEEKEND ITINERARY

Intimate. Inviting. Inspiring. Invigorating. Get ready to fall in love—for the first time or all over again—in Bee Cave. With so many ways to explore and unwind, Bee Cave is the perfect spot for a romantic getaway. Here's how to make a beeline to surefire love with a weekend custom-made for you and your special someone...

Day 1: Wake up feeling pampered and refreshed in the plush comfort and contemporary ambience of your Hotel Sonesta Bee Cave suite. Start your day with a short stroll to the Hill Country Galleria for an indulgent brunch in one of its many sundry eateries. Your time knows no demands today, so enjoy the early afternoon, hand in hand, browsing the Galleria's unique boutiques and shops. Indulge in a lazy, light lunch at one of the mall's outdoor patio cafés. Then, as the afternoon winds down, take a short 20-minute drive northward to Sail Austin Charters for a romantic cruise on the indigo waters of Lake Travis, where you'll sip champagne and sample treats from a picnic basket curated especially for you by Sonesta's Meridian 98 chefs.

Day 2: Rise and shine! A day of adventure awaits. After a casual breakfast in the hotel, gear up in comfortable walking attire and take a trip to the Bee Cave Sculpture Park where you can enjoy a 7-acre natural setting showcasing a collection of permanent and rotating works of art by local artists. Helpful Hint: Pick up a gourmet basket or charcuterie board from PLATE by Dzintra or Baguette et Chocolat and enjoy a picnic in the park. Then, it's time to visit The Grove Wine Bar (just 3 miles to the northwest) for your own personal wine tasting experience in a beautiful al fresco patio setting. Head back to the Sonesta to freshen up for a casual dinner in town at Mandola's Italian Kitchen.

Day 3: Dedicate your last day in Bee Cave to pure leisure. Indulge in luxury and pampering in one of the city's spas; or lounge by the crystal-clear waters of the hotel's spacious pool as you soak up the Texas sun and reflect on all the memories you've made on this special weekend escape. After freshening up, top off the day at Buenos Aires Café where you'll enjoy upscale Argentine cuisine in warm, bohemian surroundings. Don't forget to order the "Don Luis" — a refreshing summer drink made with Livenza Americano, an exotic beverage blend of herbs, spices and fruits.
