BEE CAVE  TEXAS

TWO-DAY OUTDOOR ADVENTURE WEEKEND ITINERARY

There's no place like Texas when it comes to outdoor adventure, and Bee Cave puts you at the very epicenter of outdoor Hill Country nirvana. Sun lovers and thrill seekers alike will find a world ready to explore and buzzing with activity!

Day 1: Opt for a late check-in and get straight to enjoying all that the Texas countryside has to offer. Start with a short 20-minute drive west to one of the most unique, beloved outdoor spots in Texas: Hamilton Pool Preserve. After exiting your vehicle and taking a short hike over level terrain, the natural dome of Hamilton looms ahead. Peering over the edge, you'll be surprised to see a natural grotto, lush with vegetation encircling a serene natural swimming hole. Lounge on the shores, swim in the blue-green waters, and picnic at the water's edge. Then head back to town to explore the Bee Cave Sculpture Park, where park trails weave through a peaceful 7-acre park featuring a natural pond, native plants and a truly stunning array of rotating and permanent sculptures crafted by local artisans. Cap off the evening with beautifully plated seafood and oysters, or a perfectly grilled fillet at Café Blue in the Hill Country Galleria.

Day 2: Ready to get your adrenaline pumping? You'll need energy, so take in a hearty Tex-Mex breakfast at Maudie's before heading to nearby Lake Travis Zip Line Adventures for a thrilling outdoor experience for people of all ages. Three of the five zip lines offered are the longest, fastest zip lines in Texas, soaring over the deep blue waters of massive Lake Travis with sweeping views of the lake and countryside. Ready to come down to earth, but still angling for some fast-paced fun? Rent a boat for the afternoon at Float On, and be sure to stop along the way to fill a cooler with snacks and cold drinks. After a day on the lake, head back to the hotel to freshen up, and enjoy a relaxing dinner of Texas-style tapas and handcrafted cocktails at Meridian 98. Take in one last breathtaking sunset while you're there. It's on the house.
